

# Ahsan Afzal

Front-End Developer | React & Next.js Specialist | Proficient in React.js, Next.js, Tailwind CSS, and modern JavaScript | imahsan000@gmail.com | P/O Aurangabad Tehsil Sarai Alamgir, Gujrat | +923493082202 | [Portfolio](#) | [LinkedIn](#)

## Professional Summary

---

As a dedicated Front-End Developer with a focus on innovation and user experience, I specialize in crafting high-performance web applications leveraging React.js, Next.js, and advanced JavaScript frameworks. My skills encompass the design of intuitive UI/UX interfaces, performance optimization, and the development of scalable front-end architectures. I am proficient in API integration, adeptly utilizing Tailwind CSS and Firebase to deliver impactful projects. With a detail-oriented approach, strong adaptability, and a commitment to continuous improvement, I strive to exceed client expectations and drive project success.

## Top Skills

---

- HTML
- CSS
- BOOTSTRAP
- MUI
- TAILWIND CSS
- JAVASCRIPT
- REACT JS
- NEXT JS
- TYPESCRIPT
- FIREBASE
- API INTEGRATION
- CODE REFACTORING
- UX/UI DESIGN

## Work Experience

---

### NEXTPAK AGILE SOLUTION

01 March 2025 - present

- Developed and enhanced responsive UI components utilizing React.js and modern CSS frameworks, greatly improving user engagement and overall satisfaction.
- Executed robust API integrations, facilitating seamless data interactions between front-end interfaces and backend systems, which resulted in a more efficient application workflow.
- Diagnosed and resolved UI issues, optimizing layouts and enhancing component reusability across client projects, significantly decreasing development time and errors.
- Collaborated effectively with senior developers in an agile setting to consistently meet project deadlines and deliver high-quality outcomes.
- Elevated application performance and ensured UI consistency through thorough code refactoring and the application of best front-end practices.
- Acquired comprehensive knowledge in production-level deployment workflows and standards of real-world development practices.
- Proactively developed responsive web applications using React.js, Next.js, and Tailwind CSS
- during my internship, resulting in production-ready projects that met client specifications.
- Implemented and integrated APIs that significantly enhanced user experience and application functionality.
- Work collaboratively within an agile development team, contributing to successful project outcomes

and client satisfaction.

- Gained valuable hands-on experience with live client applications, further refining my development skills.
- Optimized front-end performance and adhered to clean code practices to ensure maintainability.
- 

## Education

---

VIRTUAL UNIVERSITY OF PAKISTAN (Under-Graduate)

August 2023 – August 2027

Bachelor of Sciences in Computer Science Degree | INFORMATION TECHNOLOGY
